Alexandria, VA 22313-1450

Sir:

The Interview Summary dated April 1, 2008 accurately reflects the substance of the interview that occurred on March 28, 2008. During this interview, applicants discussed the possibility of the Examiner amending the word "was" to "is" in the paragraph no. [0028] of the specification. The Examiner stated that the application was not in condition for allowance because the claim amendments filed on March 7, 2008 had not yet been considered. Applicants will make the proposed change to the specification in responding to the Office Action dated April 15, 2008.

Respectfully submitted,
